Chief Secretaries of Provinces
Heads of Departments

Maintenance of Government Vehicles

Your attention is drawn to sub section 2.1 of Public Administration Circular 05/2026 dated 25.02.2026, issued under the subject “Maintenance of Government Vehicles”.

02. In view of the fuel crisis that has arisen due to the prevailing conflict situation in the Middle East region, various state institutions have reported to this Ministry that owing to the restricted issuance of fuel following the introduction of the QR code system it has become difficult in certain instances to conduct the fuel consumption test by fully filling the vehicle's fuel tank, as stipulated in sub-clause 2.1 of the above-mentioned Public Administration Circular 05/2026 dated 25.02.2026.

03. Accordingly, based on the recommendations received from the Ministry of Energy in this regard, when taking action to obtain the fuel required for the government vehicle fuel consumption test under sub-clause 2.1 of Public Administration Circular 05/2026 dated 25.02.2026, actions should be taken to obtain fuel with the prior approval of the Ministry of Energy, in compliance with the fuel distribution and issuance system currently in force in the country.

04. Accordingly, actions should be taken to obtain the fuel required for the fuel consumption test of government vehicles by submitting a formal request, along with the following information, to the Ministry of Energy.

I. Quantity of fuel required
II. Type of fuel required
III. Registration numbers of the relevant vehicles
IV. Time period for which fuel is required

05. Furthermore, necessary measures must be taken to conduct the fuel consumption test in a manner that ensures the most economical use of the fuel obtained.

Sgd/ S. Alokabandara
Secretary
